Курстун максаты	This course covers grammatical and lexical systems of English, combined with extensive practice of the four language skills of speaking, listening, reading and writing. It is hoped that by the end of the semester, the student will be able: Listening To understand extended speech and lectures and follow even complex lines of argument provided the topic is reasonably familiar, to understand the majority of films in standard dialect. Reading To read articles and reports concerned with contemporary problems in which the writers adopt particular attitudes or viewpoints, to understand contemporary literary prose. Spoken Interaction To interact with a degree of fluency and spontaneity that makes regular interaction with native speakers quite possible, to take an active part in discussion in familiar contexts, accounting for and sustaining his/her views. Spoken Production To present clear, detailed descriptions on a wide range of subjects related to my field of interest, to explain a viewpoint on a topical issue giving the advantages of various options. Writing To write clear, detailed text on a wide range of subjects related to my interests. To write an essay or report, passing on information or giving reasons in support of or against a particular point of view, to write letters highlighting the personal significance of events and experiences.
